CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The College is an affiliated institution of Yogi Vemana University, YSR Kadapa. The college follows the curriculum and the schedule designed by the University. The college chooses the combination of groups offered by the university. The college has been offering courses that are need-based for the present-day social challenges. The college accommodates three Programs and five courses. One in B.A. programme i.e. History, Economics and Political Science with Telugu Medium. Similarly, through B.Sc., the college offers, Botany, Zoology and Chemistry in Telugu medium and MSCS in English medium under self finance. In B.Com there are two courses -the Computer Applications and the General. The faculty are well equipped with the curriculum and its implementation in traditional as well as innovative ways.

Various classroom teaching methods based on various needs of different subjects are regularly used for the effective delivery of the curriculum such as Chalk and Blackboard method

- ICT-enabled teaching-learning method.
- Use of different softwares.
- Distribution of class notes by teachers.
- Group discussion amongst the students during the class.
- Seminars by students related to curriculum.
- Online and Off-line Seminars and special talks by experts are also arranged regularly for advance studies.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Academic year starts as prescribed by Y.V. University. The University in advance, publishes the Academic Calendar containing plans for curricular and co-curricular activities based on the available working days as per their norms.. Approval for the same is given by the Principal after the effective minor changes if required. The academic calendar provides the date of commencement of the academic session, duration of semester, period of Internal assessment tests, final semester examinations etc. The Time-table is prepared well in advance of every semester to avoid any shortfall in syllabus coverage. The Lesson Plan is prepared by the faculty individually with details like Unit wise topics, number of teaching classes allocated for each Unit. During the interaction with the students in the Class Committee meeting, the objectives of each subject are explained by the respective faculty and the Chairperson of the meeting. The expected outcome from the student is also elucidated clearly. Syllabus completion is tracked through periodic checking of lesson plan sheets, class committee meetings, record of class work and Department meetings. The laboratory Schedule is prepared by the concerned Time-table in-charge of each department and batch-wise details are specified in the laboratory schedule. Time-table of regular lectures for the semester is prepared and displayed on the notice board and College Official Website. There is an Academic Monitoring Committee appointed by the Principal, who monitors the day to day conduct of the lectures based on the time table.

2.2 - Catering to Student Diversity	
2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners	
An induction programme for the newly joined students is conducted by each department to make them aware of Choice Based Credit System (CBCS) in semester pattern. 'Bridge Courses' are offered to the students who join the UG programmes. This bridges the academic gap	

and enable them to ease through the course.

Slow Learners

The slow learners are given remedial coaching. Remedial coaching classes are conducted by the faculty formally and informally to clarify basic doubts. This helps the students to achieve better results in the university examinations.

Advanced learners

Special coaching classes are being conducted for Competitive exams for the advanced learners. They are entrusted with 'Study Projects' in their subjects to inculcate research skills. They are also given an opportunity to participate in the curricular and co-curricular competitions conducted by different Govt. Degree Colleges under District Resource Centre (DRC).

Ward system:

'Ward/Mentor system' is followed to address the academic, socio-economic and psychological issues of the students. The Class teachers of the respective classes act themselves as mentors. Accordingly, required suggestions are offered to the student to improve his/her academic performance and excel in the academics. The Grievances Redressal Cell of the college addresses the grievances of the students.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The institution has an inbuilt mechanism for making the learning process more student centric. The institution makes available the following support structures, systems and processes that are essential for making learning process more student centric. They include well-established library with infolibnet facility, ICT class rooms (03 digital class rooms and 01 virtual class room) for interactive learning, MANA TV educational satellite channel programs, educational programs arranged by the District Resource Centre (DRC), invited lectures, field trips, demonstration, interaction methods, debates, group discussions, subject quizzes and class room seminars.

The traditional lecture method blended with modern ICT methods best suites to understand the lessons and to imbibe the subject into the minds of the students. At the end of the lecture, the topic taught is open for discussion and offers opportunity for interaction. After the completion of the 'unit' the students are given specific assignments to enrich their learning.

Other student centric methods of learning include debates, seminars, group discussion, role- plays, surveys, subject quiz where the lecturer acts as a facilitator.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

ICT enabled teaching methods through virtual class room, digital class rooms & class rooms with LCD projectors make learning more student friendly and effective. Wherever the class rooms are not provided with LCD projectors, the Teaching-Learning Process is supported with the usage of Laptops, Tabs and even android phones (particularly for audio and video) to make learning more interesting and informative. Apart from these, the smart class rooms and the digital classroom welcomes the student to modern ways of presentations like seminars & JAMs.

During the COVID 19 pandemic situation, the college has adopted many modern platforms of learning to reach the students . Whats app, Teachmint, Zoom ,Cisco, Google meets & Google Workspace (G-Suit) have been employed for the teaching learning activities. All the teaching staff have made videos & posted the links in academic repository of the CCE website ilke Bharat Padhe Online (BPO) & the Learning Management system [LMS]

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Internal assessment is done as per guidelines of the YV University. A calendar for internal assessment is compiled well in advance, as

per norms of the university. At the beginning of semester, the students are asked to take note of the same and get prepared accordingly.

In a semester, one internal assessment exam is strictly conducted. The valued answer scripts are shown to the students to check whether they have rightly answered the questions and they are justly valued. Discrepancies if any identified by the student will be addressed and rectified then and there itself, by their respective teachers. Final marks are informed to the students, before uploading them in the University portal.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The college has an effective mechanism to address the grievances of the students regarding the internal assessment marks and end semester examinations marks. The respective teachers attend to the grievances of the students. If the grievance is not addressed at the subject teacher level, the same may be brought to notice of respective in-charges of department and in turn to the Head of the institution for further redressal. Grievances pertaining to the end semester examinations like change of wrongly mentioned question paper code, spelling mistake in name, mismatch of the subject chosen and medium of instruction in the hall ticket etc. is redressed at once by the college after due verification with the records available. The same will be intimated to the controller of examination of affiliating university for the necessary rectification at their end. If there is any grievance, in relation to physical resources, such as improper/uneasiness in seating arrangement/ insufficient lighting, ventilation the other amenities etc, in the examination centre are resolved immediately. For the grievances in the results of end semester examinations, the principal forwards the same to the affiliating university with due remarks, and follow up the action to resolve the grievance at the earliest possible.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The Principal decentralizes & appoints various committees to implement the plans of action of the college. The important developmental plans are discussed by the Principal along with all the committees. The Plans are executed only after reviewing the suggestions. Frequent mentoring and monitoring by the committees ensure the desired results. The timetable committee frames the time table for the college. The IQAC of the college consolidates the departmental action plans and prepare the action plan of the institution for the academic year. Any financial assistance in this regard will be brought to the notice of Principal. The head of the institution along with IQAC coordinator monitors the execution process. Student Class representatives for each class are nominated based on their academic merit. The Principal and the vice-principal act as overall President and vice-president of the college union respectively. The student union plays an active role in executing activities of the institution. This practice of decentralization and active participation of students in governance promote the coordinative, collaborative team work.

Many committees & clubs, their convenors and members like the Women Empowerment club, Grievance Redressal club, NSS, Cultural club, Botanical club, Consumer club, Red ribbon Club, Eco-club, Examination committee etc organize many curricular, cocurricular & extracurricular activities of the college.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

At the institutional level, the Principal is the academic and administrative head. The decisions of administrative and academic affairs of the college are taken by the CPDC or the Staff Council after thorough reviews. The academic decisions at this level are taken duly considering IQAC's recommendations.

According to the administrative set up, the Commissioner is the head of the commissionerate followed by the Regional Joint Directors. Next comes the Principal at the institutional level.

The college administration is governed by the service rules and procedures of Government of Andhra Pradesh through Department of Higher Education. The Department of Higher Education has two wings viz., Andhra Pradesh State Council of Higher Education (APSCHE) & Commissioner of Collegiate Education (CCE).

Recruitment by selection is done by Andhra Pradesh Public Service Commission (APPSC) and accordingly CCE/RJDCE issues appointment proceedings. Promotions and Career Advancement Schemes (CAS) will be taken up by the CCE following rules and regulations meant for the purpose. Clarifications regarding rule position and procedures are obtained from CCE from time to time.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The 'Performance Based Appraisal System' (PBAS)' of the staff is based on UGC regulations on minimum qualifications for appointment of teachers. The detailed guidelines encompass the following areas. (i) Contribution to teaching, learning and evaluation - seminars, assignments, practicals, examination duties, formative and summative evaluation tools etc. (ii) Contribution to co-curricular and extension activities - field based studies, NSS activities, cultural activities and other works related to social reconstruction and national development. Research, publications, books and other academic contributions and awards received. As per the latest guidelines provided by the UGC and the Government of Andhra Pradesh, the performance appraisal of the staff is carried out annually under the auspices of the Internal Quality Assurance Cell headed by the principal. The Annual Performance (API) Score/Annual Self Appraisal Report (ASAR) of the teaching staff, is submitted to the CCE. In addition, the performance of teachers is appraised through annual confidential reports from the Principal. Further, the Academic Audit Team of the CCE, AP, visits the colleges annually and analyses the performance of teachers. The Performance Appraisal System for non-teaching staff is evaluated by the principal and confidential reports are submitted to RJDCE. The Performance Appraisal Reports are considered for weightage for career advancement scheme (CAS) and

general transfers .

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The College conducts regular audits for all financial transactions.

Internal Audit: The initial internal audit in the case of the daily income and expenditure statement regarding fees, caution deposit, grants for students etc is done by the college office staff headed by the Upper Division Clerk. This is verified by the Principal. In case of the funds received from UGC, RUSA, etc., the Planning and Purchase Committee and the Teacher Coordinators handle the utilization and disbursement of accounts. The directions from the concerned higher authorities (SERO, SPD,RUSA,AP etc.) and external Chartered Accountant are followed in the internal audit. The projects completed under UGC and other government bodies, are submitted to a certified Chartered Accountant for verification and audit certificate.

External Audit: The audit wing of the government from the Department of Education visits the college and inspects all the files relating to financial and administrative matters, the schemes that the college has availed and all the receipts and payments in the college. In addition, the Accountant General, Andhra Pradesh also conducts verification and suggests directions by way of audit report. The government (RJDCE, CCE, AG) conduct regular audits and give their comments.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

Through the Internal Quality Assurance Cell (IQAC), the institution probes consistently for quality in education and student support services through appropriate teaching- learning strategies, evaluation and student-centred activities. Institutional Calendar is provided at the beginning of each academic year. The IQAC frames institutional calendar incorporating the institutional plan with curricular, co-curricular and extra-curricular activities. It is communicated among all the staff and the students. Accordingly, the in-charges of the departments in coordination with their faculty prepare departmental action plan, annual curricular plans and implement them scrupulously. The implementation is reviewed through monthly staff council meetings, departmental meetings, circulars and even through informal interactions. The lapses are addressed immediately. Apart from this, any quality assured initiatives conducted by every department/committee/cell of the institution is monitored, mentored and recorded through participative management and internal coordination .

The IQAC strives to institutionalize and sustain quality in all activities of the institution, including teaching, learning, research and extension. The students are the main stakeholders of an educational system. The feedback from alumni and students play a vital role in this endeavour.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The WEC functions arduously to enhance their status and thereby empower them through guest lectures, seminars, workshops, various awareness programmes and other welfare activities. WEC will step forward with specific objectives and plan of action by focusing quality activities for the well being of girl students. The objectives of WEC are To promote a culture of respect and quality for female genders. To create a conducive counseling environment for female gender to share their problems. To create awareness on their rights given by the constitution and Acts of Law To conduct programmes with a motive to train girls students about self defense, health benefits and skill development To bridge the gap between students and teachers by maintaining a cordial relationship between them, so that girl students can open up freely to share their personal problems. To provide a stress free working atmosphere by identifying and fixing responsibility on the concerned persons for ensuring equal treatment and participation by women in all areas. To inculcate entrepreneurial attitude among young girls, scientists at the earliest so that they can be "job givers rather than job takers."

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

a. Solid Waste Management:

Everyday large volume of solid waste is accumulated in our college, because of a spatially large Nursery garden and the students. The solid waste includes mainly falling leaves and waste paper. It is managed properly with the help of man power. Every day the garbage is separated into degradable and non-degradable things. Degradable things are dumped in the pits, to prepare the organic manure for the garden plants and the non-degradable garbage like the plastics are taken care by the Village panchayathi & the NSS team.

b. Liquid waste management.

The liquid waste released during practical hours in chemistry lab are used to dilute acids, bases, salts and organic acids. Liquid waste is collected properly into plastic drums and are safely disposed, thus keeping college premises contamination free. The

waste water generated by two RO Plants is being channelized into the green nursery cum orchard of the college.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other											

diversities (within 200 words).

Ours is a nation of unity in diversity. The students and staff belong to various regions, sections of society with different cultures. To harmonize the diversity among the students and the staff, the college organises several programmes like the Republic day, the Independence Day. They are celebrated with patriotism & enthusiasm. On these occasions the principal delivers motivational speeches to inculcate the importance of nationalism among the students and the staff. Similarly, the Ambedkar Jayanthi, the Gandhi Jayanthi are celebrated with honour to the great personalities of India .In addition, guest lecturers are arranged by experts to address the problems created by cultural, regional, linguistic, coomunal, socio-economic and other diversities.

In this connection language related programmes like Matrubashadinostavam, celebrating birth anniversary of famous poet Gidugu Venkata Ramamurthy elevate the linguistic imporatance in the society . Further, the Institution organises many diversified programmes like the voters rally, to develop feelings of dedication & responsibility towards the buiding up of our nation. Cultural committee organises competitions and encourages students to participate on cultural competitions held in college, district and state level to promote cultural harmony .

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Several efforts have been made to generate awareness of the importance of discharging fundamental duties by celebrating Republic day, Independence day, UNO day, National Voters day, World Human Rights day and National Integration day. National festivals are celebrated in our institution to educate the students that constitution can protect individuals by outlining their rights which are normally owed to everyone in a country. The main focus is to inculcate that the nation is what the citizens are. The citizen is the unit of the nation. This should be followed in once word, deed and thought. The entire responsibility rests upon the citizens to

take the nation for new heights. The aim of consumer rights day is to enlighten everyone about the rights of consumers to protect themselves from unethical transactions. To uphold the value that humanity is the first, God is next, staff and students are encouraged to donate blood for life saving purpose. Our prime minister's prestigious Swachh Bharat program is implemented in our college in true spirit as Cleanliness is first, Godliness is next. To create awareness about ODF program, the NSS volunteers along with the program officer visited the nearby villages. To educate the students about communicable diseases like AIDS, Swineflu, Covid 19 etc. through awareness programs, rallies, literary competitions etc.
